

PAWS Closet

The Health Office often receives donations of new and gently used clothing, shoes, hygiene items, etc. to be passed on to students. The PAWS Club and the Health Office have collaborated to create a “closet” for all students. The closet contains many hygiene items such as, soap, shampoo, deodorant, etc. as well as clothes, boots, sneakers, coats, hats, scarves and the list goes on. The closet is located in the Health Office and is open to all students! Think of it as a garage sale where everything is free!

If you have any questions regarding what is available or would like to donate new or gently used items, please contact Mrs. Templin and/or Mrs. Kriner.
